Dedication

It is with pleasure that we dedicate the 1978-1979 EAGLE'S EYE to:

Leora Barrett
Sterling City I.S.D. teacher

in recognition of her years of teaching in the crucial primary grades of our school. As we reminisce over those early school years, we realize she always sought to improve our character as she taught to improve our minds.

We feel this is but a small tribute for all the love and support which she has given and continues to give our school.

Our grateful thanks to you, Mrs. Barrett.
